REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 2, 6, 11-12, 17-21, 23-24, 26, 31-33 are allowed as amended over the arguments by the applicants and the prior art of record that neither teaches nor fairly suggestive of Applicant's: (i). A multiphase composite material composition with the composition containing an amorphous first electrochemically active nanophase domains of tin or silicon and a second electrochemically active stabilizer phase of specific ceramics configured as a plurality of spaced apart regions having first phase interspersed therebetween; (ii). An electrode containing a multiphase composite material with the composition containing an amorphous first electrochemically active nanophase domains of specific metals and second electrochemically active stabilizer phase of ceramic configured as a plurality of spaced apart regions having first phase interspersed therebetween, and (iii). A method of making the multiphase compositions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
